UNITED VOLLEYBALL CLUB

TRAINING PLAN

We are adding to our training plan this season to allow for more scrimmaging and practices. This structure will allow players to practice more without having to raise the prices. It also allows Club Directors to work with more players from different teams on a consistent basis and all players to be exposed to more of United's great staff!

SUNDAY OPEN GYMS

Sundays will be open gyms for extra play and fun in a controlled setting. It will be available for some coaches to play in, and a great way for the teams to get even closer while enjoying the sport.

TEAM PRACTICES

1-hour team practices will follow 1-hour of skills and director-led training 3x per week.

EXTRA TRAINING

Coaches may choose to add extra practices and skills sessions in the early part of the season.
